High performance/ specialty/regular

The high performance section is an elite approach to the game with the emphasis on performance. Only juniors and seniors or elite volleyball players who are college bound in volleyball will be accepted. A good skill base and a high volleyball IQ are pre-requisites for this offering. The ratio for this limited offering is a 1:8 coach/camper ratio. The specialty camp is primarily for the serious varsity/junior varsity player who wants to further their knowledge of a specific position. This year's camp offers a setter, outside hitter, middle blocker, and serving/defensive specialist option if all sections have adequate numbers. Most of the time will be spent in the chosen area of interest; however, all skills will be covered to some extent. This camp is recommended for those desiring to play at a higher level or at the college level one day. The regular camp will provide a solid grounding of current technique in all skill areas. Offensive and defensive team play will also be covered. Competition will be a daily feature of the camp in the evening sessions.

camp fees

High Performance Camp Fees \$190 per session. Includes instruction, room, board, camp T-shirt and awards.

location & facilities

The Blue Hawk All-Star Development Camps are located on the campus of Dickinson State University. The campus serves as a regional site for athletic competition. Two connected indoor facilities offer seven regulation courts for training and competition. Dormitories on campus provide comfortable living with cable TV, phone and Internet connections provided in each room. Free laundry facilities will also be available. The newly renovated Student Center houses the pool, bookstore and dining area. All facilities are located within a two-block area. Please note, bedding, towels and toiletries are **NOT** provided.

camp director

DSU's Head Women's Volleyball Coach Dave Moody will once again serve in this capacity. For the past 18 seasons, Moody has directed the Blue Hawks upward in flight. With an overall mark of 468-166 (74%), Moody's team last year finished with their 12th regular season conference title in the last 13 years and their 12th straight conference tournament title. The Blue Hawks finish ranked #7 in the NAIA, marking their 11th straight appearance in the final national poll.

staff

Successful and knowledgeable club, high school and college coaches from the Midwest and beyond will be on staff. Several current and former DSU players will be in attendance to assist with demonstrations and supplemental teaching.
